**2040 Washington Boulevard**  
**Easton, PA 18042**

Thank you for your cooperation and understanding this past week. We really appreciate your continued support of the following daily practices. These practices include:

1. Using the [Daily Symptom Monitoring](#) procedures to determine whether or not you should send your child to school. Suggestion: Take a photo of the [Daily Symptom Monitoring Tool](#) with your cell phone, so that you can readily access it every day.
2. Keeping your child home if he/she is showing any symptoms of illness.
3. Ensuring your child is wearing a proper face covering on the bus and upon arrival to school. It is also recommended that students bring an extra face covering.

Thank you all for keeping our children and staff safe!
