

2017-2018 Investing in Education Innovation

\$2500.00 Grant

Application

2017-2018 Investing in Education Innovation Grant

Mission Statement

The Wilson Area Partners in Education Foundation is committed to ensuring the highest level of educational innovation supporting students, faculty and staff with community involvement in a partnership of lifetime learning.

The Wilson Area Partners in Education Foundation is pleased to offer a grant in the amount not to exceed \$2,500.00 for a project that fulfills our mission.

Who May Apply?

- Certified Teachers, Teams of Teachers, Departments and Administrators of the Wilson Area School District are eligible to apply for grants

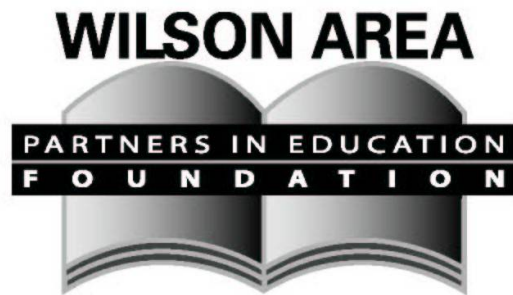

What Projects Are Eligible?

- Projects that implement a completely new approach in terms of materials, process or activities
- Projects that are based on substantial educational research that validate the purpose/objectives
- Projects that have a clear and well described research plan
- Projects that will make a substantial contribution to educational improvement
- Projects that integrate technology
- Projects that can be replicated in a variety of classroom/school settings

What are the requirements for a project proposal?

- Interested participant must submit a completed proposal to the Foundation
- Recipient must submit a plan and be willing to present information and results to Wilson Area School District constituents and others

2017-2018 Investing in Education Innovation Grant

How can the funding be used?

- Funds can be used to implement, expand and develop innovative practices that have an impact on improving student achievement or student growth, closing achievement gaps or increasing college enrollment

How do I apply?
