SUPERINTENDENT

STEPHANIE L. ARNOLD
SECRETARY-BUSINESS MANAGER

March 25, 2020

Good evening,

This is to remind everyone the District will be providing K-12 alternative instruction beginning Monday, March 30th. A document has been posted on our District website that provides guidance to parents on our Alternative Instruction plan.

If your child is in grades K-2 and needs a hard copy of the instructional packet or if your child is in grades 3-12 and needs a chromebook, please call your child's school building office tomorrow between the hours of 9:00 a.m.-2:00 p.m. We want all our children to have the resources they need to be successful. Therefore, please make sure if you need these educational resources you call tomorrow.

We know that each of you are experiencing unique hardships and challenges during this time. Please reach out to us if there is any way we can provide assistance. We're here to help.

Everyone keep your family close and safe this evening.

Be well and good night.

A handwritten signature in black ink, appearing to read "Doug Wagner". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Doug Wagner
Superintendent
