

Wilson Area School District

Admission to Events – Employees

School District employees will not be required to pay admission to school district events (such as athletic competitions) which are fully funded and supported by the school district. A District ID must be presented upon entrance. This courtesy is only for school district employees.

The admission price exoneration will not apply to programs which require the expenditure of organizational funds and/or are conducted for the purpose of fundraising. The admission price exoneration will also not apply to events conducted on school district property by outside organizations not associated with the Wilson Area School District.
