

2. Approval for excused absences, not to exceed a total of five (5) days for the school year, will be at the discretion of the building principal and granted to students who do not have attendance issues.
3. Consideration will be given to the student's attendance record and academic progress.
4. Requests for additional excused days, not to exceed ten (10) days for the school year, must be submitted to the Superintendent in writing, prior to the trip.
5. Absences for educational family trips, which have not received prior approval, will be deemed unexcused.

Unexcused Absences

Absences other than for the reasons already explained will be considered to be unexcused. When a student is charged with an unexcused absence, parents are liable to legal action under the laws of the State of Pennsylvania. Examples of unlawful absences include: cutting classes, skipping school, missing a bus, illegal employment and any other excuse that is not acceptable according to the School Code. Failure to provide a doctor's excuse, when required, will also be considered to be unexcused.

School time missed, due to chronic tardiness to school without a written legal excuse, may be accumulated and converted to an equivalent number of days of unexcused absence.

When an absence is determined as unexcused, the parents or guardian will be notified by letter after each of the first two offenses. A third offense will result in notification by registered mail. Any further offenses could result in legal action against the parent or guardian.

When a student's absence is unexcused, the student may not have the opportunity to make up missed schoolwork.

Returning to School Following an Absence

When a student is absent from school, the District requires that a written excuse accompany the student upon his/her return to school. The excuse must indicate the dates of absence, give the reason for the absence, and should bear the date on which it was written. Failure to produce a written excuse could result in an unexcused absence.

When a student is absent for three or more consecutive days, a doctor's excuse may be required when the student returns to school. Doctors' excuses may be required for all absences if a student is excessively absent from school. Excessive absenteeism shall constitute absences exceeding five (5) days for the first semester of the school year and ten (10) days after the midpoint of the year. Doctor's excuses and request for excused absence shall not be counted toward the days specified above. Parents will be notified when doctor's excuses are required.

Participation in School Related Activities

Students who are absent from school will not be permitted to attend or participate in school-sponsored activities held the day or evening of the absence. This would include field trips, dances, concerts, plays, sporting events, etc. The only exception is absence due to approved trip/activity involvement as a representative of the school (student field trips, conferences, etc.) or planned pre-approved college trips that cannot be otherwise scheduled. The District will approve up to three (3) days per year for college trips for Juniors and Seniors. Any additional college visits will be counted as unexcused absences. Attendance on Friday is required for school-related activities scheduled on Saturday or Sunday, unless otherwise pre-approved by the principal.
