WILSON AREA SCHOOL DISTRICT

Participation of 8th Grade Students in Interscholastic Athletics

8th grade students, who are not eligible for sports' programs sponsored by the Recreation Board because of age or weight requirements, will be permitted to participate on certain interscholastic athletic teams sponsored by the high school. These would be junior high school teams which would include 9th graders who would normally be on a freshman team..

Furthermore, any 8th grader who meets the above qualifications and wishes to participate, must conform to the following requirements:

1. An overall average of "C" must be maintained in the major subjects;
2. The student must receive a passing grade in all subjects;
3. There will be no loss of class time for practice, games, or related activities.
