

Wilson Area School District

Band Policy

School Board members must refer parental complaints to the high school principal. These issues will be handled by the high school principal and the band director.

The high school band director will have full control of all artistic decisions regarding the music, equipment, and band front uniforms used by the band.

The high school band director with approval of the high school principal will have full control over all decisions of where and how the band will compete.

If issues involving the band are going to be discussed at a school board meeting the high school band director, high school principal, and the President of the Wilson Area Band Boosters will be notified in advance of the meeting.
